

respondi
CLOSE TO PEOPLE

respondi alters a company's knowledge about markets and target groups. respondi follows and accompanies people in their daily online life and creates an extensive and detailed picture of customers, wishes and behaviour using a combination of the latest technology, scientific methods and digital know-how. We deliver the right participants for quantitative and qualitative online studies - for example to renowned universities, market research institutes and companies - and operate our own online access panels in seven European countries. In addition, we provide online behavioral data from our sub-panel, as well as comprehensive services, in the area of data preparation and analysis. Founded in 2005 in Cologne, Germany, we currently have more than 90 employees at our locations in Cologne, London and Paris and work with more than 700 clients.

PROJECT MANAGER MARKET RESEARCH (F/M/D)

LONDON|FULL-TIME

YOUR RESPONSIBILITIES

- Support our international customers with the implementation of their online market research projects
- Coordinate the projects from implementation of online surveys to the preparation and evaluation of the results and everything in between
